

Village of Webberville August 2020 Newsletter

Did you ever wonder what the abbreviations on your utility bill stand for? Below is a guide for those abbreviations.

- PB: Previous Balance
- WA: Water Usage Based on Meter Reading
- SW: Sewer Usage Based on Water Usage
- WD: Water Ready to Serve
- SD: Sewer Ready to Serve
- TR: Trash, brush & leaf collection
- RT: Red Tag
- NSF: Non-Sufficient Funds
- RW: Reconnect Water
- DW: Disconnect Water

Please make sure that the Village has the correct information in your utility accounts. We are getting some mail back and when we try to call, the phone numbers that we have on file are not correct. Utility bills are due on the 20th monthly; regardless if you get your bill or not. It is your responsibility to make sure that we have the correct information on your account.

The Village is not charging penalty, red tagging or doing shut offs right now, eventually that will begin again. Please pay attention to how long you let your bill lapse. Once we begin regular business – **all the above will apply**. Anyone who has been on a payment plan that has missed more than one payment will no longer be on the same payment plan. Penalty is 10% of your bill – for every month that you are late. Some will not qualify for payment plans, if they have previously defaulted on too many.

People with ACH please check and make sure your payments are coming out of your accounts. We have found a few accounts that have old bank information – so even though your bill is being marked paid the Village is not actually receiving your money – once we find this, we will be applying the unpaid portion back to your bill and the amounts will be due immediately.

The D.P.W. will be doing brush pickup. Pickup will be done one day during the week depending on weather. **Have your brush out by Monday at 7:00 a.m. to ensure pickup.**

August 3
September 14
October 5
November 2
December 7

LEAF PICK UP

Leaf Pick Up: Will begin again in October.

October 5th, 12th, 19th and 26th.
November 2nd, 9th, 16th and 23rd.

All dates are weather permitting. Have leaves and/or brush to the road at 7 a.m. on the designated days. Please do not put them together. Sometimes things happen and they do not get to it on the scheduled day but they will get it that week. They usually will only go by each house one time if your brush/leaves are not out at that time they may not be back for them until the next scheduled pick up.

Joke of the Month:

What time do ducks wake up?

Answer: At the Quack of dawn.

The Ingham County Drain Project is progressing well. If you have questions or concerns go to the villageofwebberville.com and click the other tab, go down to links and then click on the Webberville Consolidated Drain Project for information or contacts.

Village of Webberville August 2020 Newsletter

The Village of Webberville is starting to enforce the Ordinances in the Village more diligently than they have been. You may want to be checking for junk cars, right of way parking, signs, fence permits, shed permits, etc. Ordinances are posted on our website at www.villageofwebberville.com

Please keep your pets in your yard or on a leash and clean up after them – carry a baggy for clean up when you are on a walk.

Please keep your yards maintained (grass, weeds, bushes and trees).

We are receiving a lot of complaints about these issues lately.

PLEASE DO NOT blow your grass into the village streets when mowing!

The Village of Webberville handles all building, mechanical, plumbing, and electrical permitting at the Village Office. Check out the Village website: www.villageofwebberville.com for any permits that you may need. If you have any questions contact the Village Office at 521-3984, or email Jessica at jkuch@villageofwebberville.com

UPDATE: The Village of Webberville hired Plante Moran at the end of January to help “catch up” the audit reporting, to investigate and verify numbers and then report their findings to the State of Michigan. The Village and Plante Moran have worked hard to complete the “catch up” and the Village received the MDOT money and Revenue Sharing money from the State of Michigan that was being held until this was accomplished. Plante Moran continued on to help us prep for the 2019-2020 audit, which is currently underway and will be completed prior to the September 30, 2020 deadline. Look for more of an update on this subject in coming newsletters.

www.villageofwebberville.com

The Village of Webberville received a S.A.W. grant to map all of the Sewer mains in the Village. This project is underway and going well.

The Webberville Downtown Development Authority received a Site Readiness Grant to help install a road base extension off from TECH Drive in the business park – to give access to their vacant property. This project has been completed.

The Village Office and D.P.W. will be **closed** on **Monday, September 7th** for Labor Day. Please remember trash pickup will be on Thursday the week of Labor Day.

The Village Office is closed to the public and will remain closed until further notice. The Village is business as usual – Our drop box is available for payments. We can come up and get items at the door – **FACE MASKS** Must be worn in the building.
