

# Village of Webberville January 2021 Newsletter

**HAPPY NEW YEAR**

**HAPPY NEW YEAR**

**HAPPY NEW YEAR**

**The Webberville Downtown Development Authority currently has a vacancy on its board. The DDA meets once a month. Becoming a member of the DDA is a great way to become involved in the community. If you are interested in filling this seat, please contact the Village Office at 521-3984 or submit a letter of interest to Jaymee Hord, Village Clerk, P.O. Box 389, Webberville, MI 48892. Or by email to [jhord@villageofwebberville.com](mailto:jhord@villageofwebberville.com)**

**This is a volunteer position – there is not any pay associated with it.**

With colder temperatures comes the risk of frozen pipes. An eighth-inch crack in a pipe can leak up to 250 gallons of water a day. Both plastic and copper pipes may burst, causing property damage. Here are a few tips that may help to prevent your pipes from freezing: insulate pipes in crawl spaces and attics; use heat tape or thermostatically-controlled heat cables to wrap pipes; seal leaks that allow cold air inside, near where pipes are located; disconnect garden hoses and if practical, use an indoor valve to shut off and drain water from pipes leading to outside faucets; open cabinets to allow heat to reach uninsulated pipes under sinks and appliances near exterior walls.

**The Decorations in the downtown planters were provided by the Webberville Garden Club. The Village would like to thank the Garden Club for all of their efforts to help beautify our community**

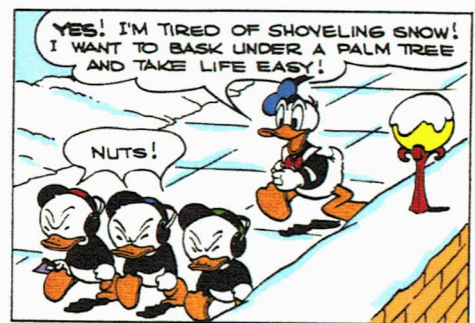

Christmas Trees will be picked up by Granger the first 2 weeks of January. If your tree is longer than 4 ft. it must be cut in half.

**Tip of the Month:** Did you ever wonder what the abbreviations on your utility bill stand for? Below is a guide for those abbreviations.

PB: Previous Balance  
 WA: Water Usage Based on Meter Reading  
 SW: Sewer Usage Based on Water Usage  
 WD: Water Ready to Serve  
 SD: Sewer Ready to Serve  
 TR: Trash, brush & leaf collection  
 RT: Red Tag  
 NSF: Non-Sufficient Funds  
 RW: Reconnect Water  
 DW: Disconnect Water

All Building, Zoning, Plumbing, Electrical and Mechanical permits in the Village of Webberville are done through the Village. If you are doing any kind of work on your home or business please check with the Building/Zoning Administrator to see if you need a permit for the work. Fees could be more costly if you are doing work without a permit and get caught.

Ordinance No. 155 stipulates snow and ice must be removed from sidewalks within 24 hours after it has ceased if the accumulation is less than 4 inches and 48 hours after it has ceased if accumulation is more than 4 inches. If you would like to apply for an exemption from this Ordinance, please contact the Village Office

**Joke of the Month:**

**What do you call a dinosaur that is sleeping?**

**A Dino-snore!**
