

ELECTRONIC MAILING AUTHORIZATION

Go green! Go paperless! Webberville residents have the option of receiving their utility bills electronically. Once we receive this completed form you will receive a confirmation email from Webberville UB stating that you are set up for paperless billing. **If you do not receive the confirmation email within a week of signing up please contact the Village Office at (517) 521-3984.** Bills will be emailed around the last business day of the month; if you do not receive the electronic bill, please check your SPAM folder or contact the Village Office at (517) 521-3984 or jhord@villageofwebberville.com.

I authorize the Village of Webberville to email my monthly utility bill to the email address indicated below. I understand that the emailed monthly utility bill is the only statement I will receive and that I will no longer receive a printed utility bill in the mail. I will notify the Village of Webberville if I wish to receive a printed utility bill again. Further, I understand that failure to receive the electronic bill does not waive penalties.
