

Village of Webberville May Newsletter 2022

Fire Hydrant flushing will begin sometime in May depending on weather! If you notice that your water is dirty/filmy—just run your cold water for a few minutes to clear your service lines. Flushing is mandatory and it will clear stagnate water out of the system.

Please **DO NOT** blow your grass into the Village streets when mowing!

Please keep in mind with the nice weather just around the corner that any noxious weeds higher than 8 inches in height are a violation of Chapter 91 of the Village Code of Ordinances.

§91.01 WEEDS.

- (A) All noxious weeds, on both public and private lands, are hereby declared to be a nuisance. It shall be unlawful to permit noxious weeds to remain in the village.
- (B) For the purpose of this section, the following definition shall apply unless the context clearly indicates or requires a different meaning.
- (C) The Code Enforcement Officer is appointed the commissioner of noxious weeds and is authorized to inspect and examine any weeds in the village to determine whether or not they are noxious. Upon discovering that any such weeds are noxious and any time they exceed eight inches in height, the Commissioner shall notify the owner or occupant of the premises of the violation by affixing a notice on or as near as possible to the front door of the property.
- (D) It shall be the duty of the owner or occupant of any land upon which the noxious weeds exist to have the same cut or eradicated within five days of notice by the Commissioner. It shall be the duty of the Department of Public Works to eradicate or cut all noxious weeds from land owned by the village.
- (E) Where the owner or occupant of the premises concerned does not properly cut or eradicate noxious weeds within five days after notice, or where the owner or occupant of the premises cannot be located, the Department of Public Works or its designee is hereby authorized to enter the property and cut or eradicate the noxious weeds. Any expense incurred in the destruction shall be paid by the owner or owners of the property, and in the event of nonpayment thereof the village shall have a lien against the property for the expense, which lien shall be enforceable in the manner provided by law for the enforcement of mechanics' liens.
- (F) This section will take effect 30 days from date of enactment.

Brush Pick up schedule

June 6th
July 11th
August 1st
September 12th
October 3rd
November 7th
December 5th

Leaf pick up has ended—it will begin again in October 2022.

Joke of the Month:

Brush Pick Up Rules:

Brush pick up will be done one day during the week. Starting at 7a.m. Once the truck goes by it will not be back until the next scheduled pick up. [Chapter 50 Garbage and Rubbish](#)

1. Place brush between the sidewalk and the road (or next to the pavement of the road if no sidewalk). None in the road or extending over the sidewalk.
2. Brush should not be placed by the road prior to the Friday preceding pick up.
3. Place brush with the cut end towards the road.
4. Brush must be piled neatly.
5. Brush may not exceed 5 inches in diameter and/or eight feet in length.
6. There shall be no garden waste (most garden waste can be cut in 6-inch strips and picked up with leaf pick up).
7. There shall be no lumber, roots, concrete, stones, poison ivy or feces mixed with the brush.
