

Village of Webberville August Newsletter 2022

Brush Pick up schedule
August 1st
September 12th
October 3rd
November 7th
December 5th

ATTENTION:
The Village Council has an open seat, and is looking for an interested individual who would like to serve their community! The WDDA is also looking for someone to fill a seat. If interested please call the Village office at 517-521-3984 or email Jessica at jkuch@webbvill.com

Please keep your dogs leashed and under control while in a public area. Also please try to keep your pets in your yard to prevent incidents. Michigan has strict leash and dog bite laws. This will help to keep the public as well as our furry friends safe and protected.

Spotlight:
We would like to thank Rusty Ackerman for his many years of service to the Village of Webberville. He has been a Village Trustee for nearly 15 years and has done work with NIESA as well. He has been an enormous asset to this community and we appreciate all the hard work he has done.

We know there has been a lot of concern over the Main Street project, at this time, it has been postponed until next year. This was due to a bunch of different elements with the main reason being the inability for the contractors being able to get the materials needed for the project. We did not want to risk opening up Main Street, risk delays, and not be able to complete the project before the start of the new school year. With the bulk of the project being right in front of the school, we did not want it to go into the new school year. We will continue to keep you updated on the status of the project. We were really hoping to get it done this year, but we are hoping we can finally have it done next year. The grant for the project has been earmarked for Webberville so it does not have an expiration date.

Village of Webberville August Newsletter 2022

As a heads up beginning in September of 2022 the Village will begin charging penalties, doing red tags, and shut offs again.

If you are behind with your utility bill, and need assistance there are many resources out there that can help. Some of those resources are MSHDA, Department of Human Resources, payment plan with us, etc. are great places to start and if you have any questions, we will help you as best we can.

Feel free to call the office at 517-521-3984 or you can email Tammy at thamill@webbvill.com or Jessica at jkuch@webbvill.com.

Joke of the Month:

What is a flower's favorite kind of pickle?
A daffo-dill.

§ 50.07 RECREATIONAL BURNING.

(A) It shall be unlawful for any person, firm, partnership, lessee, or occupant to burn any garbage, including treated wood or other waste material, within the village. Material that is acceptable to burn in a recreational fire shall be limited to clean, clear, unpainted, unfinished, and untreated wood and wood products excluding particle board and similar products, split firewood, tree limbs, and charcoal. No accelerant such as gasoline and kerosene may be used except charcoal lighter fluid. (B) Recreational fires shall be permitted. A recreational fire shall be an outdoor fire and located in a fire pit, outdoor grill, and/or container commercially constructed for use as a fire pit and/or burner that is designed to adequately contain ashes and cinders. The fire shall be limited to a container no larger than 36 inches in diameter, and must be done no closer than ten feet to property lines or 15 feet from any building or structure. Burning should be confined to the rear yard unless conditions exist that it is not possible. No burning may be conducted in the front yard. Flames may not exceed 18 inches in height. (C) Any recreational fire shall be constantly attended by a person at least 16 years of age, who is fully physically and mentally capable of extinguishing the fire.

(Ord. 191, passed 6-19-2006) Penalty, see § 10.99
