

Village of Webberville October Newsletter 2022

Brush Pick up schedule
October 3rd
November 7th
December 5th

ATTENTION:

**TRICK OR TREATING WILL BE HELD
ON THURSDAY, OCTOBER 31, 2019
FROM
6-8 P.M.**

Joke of the Month:

Spotlight:

The Village wants to recognize Ann Evans for her service to the Community. On September 25th, 2022 she was presented with a plaque that dedicates the garden by the gazebo to her. The plaque will be mounted in the garden.

The Village of Webberville will be replacing your property's water meter heads with a more advanced technology that will positively impact the environment, and the Village's ability to serve your water accurately and efficiently. Appointments for the meter installation **needs to be scheduled** through the approved third-party contractor, **HydroCorp**, who specializes in communitywide installation programs.

We have had many phone calls asking if this is a legitimate company and you can rest assured it is. They are here to assist us by getting the meter heads replaced before the end of the year deadline.

2022 Fall Leaf Collection Guidelines

Leaf pickup will be done one day during the week depending on weather. To ensure pickup, have your leaves out to the street by Monday at 7:00 a.m. Once the truck has gone by your house, it will not pick up again until the next scheduled pickup day.

Oct 4
Oct 11
Oct 18
Oct 25
Nov 8
Nov 15
Nov 22
Nov 29
weather permitting

We will try our best to adhere to this schedule but sometimes unforeseen circumstances or weather may not allow it.

Please follow these simple instructions for leaves:

1. Rake leaves to the edge of the street, not in the street. If we cannot reach them with the vacuum hose, we will not be able to pick them up.
2. Do not make leaf piles wider than (4') four feet wide or we cannot reach them all.
3. Do not rake leaves around posts, signs, mailboxes, or cars. Keep them at least (4') four feet away from all objects.
4. Do not pile them at intersections where we will have to block traffic to pick them up.
5. Do not mix trash, sticks, rocks, or other debris with leaves as it will cause damage to the leaf vacuum and/or injury.
6. Do not pile brush and leaves together we cannot sort it for you.
7. Do not put leaves in bags; we do not pick up bags.

§ 50.07 RECREATIONAL BURNING.

(A) It shall be unlawful for any person, firm, partnership, lessee, or occupant to burn any garbage, including treated wood or other waste material, within the village. Material that is acceptable to burn in a recreational fire shall be limited to clean, clear, unpainted, unfinished, and untreated wood and wood products excluding particle board and similar products, split firewood, tree limbs, and charcoal. No accelerant such as gasoline and kerosene may be used except charcoal lighter fluid. (B) Recreational fires shall be permitted. A recreational fire shall be an outdoor fire and located in a fire pit, outdoor grill, and/or container commercially constructed for use as a fire pit and/or burner that is designed to adequately contain ashes and cinders. The fire shall be limited to a container no larger than 36 inches in diameter, and must be done no closer than ten feet to property lines or 15 feet from any building or structure. Burning should be confined to the rear yard unless conditions exist that it is not possible. No burning may be conducted in the front yard. Flames may not exceed 18 inches in height. (C) Any recreational fire shall be constantly attended by a person at least 16 years of age, who is fully physically and mentally capable of extinguishing the fire.

(Ord. 191, passed 6-19-2006) Penalty, see § 10.99
