

## Village of Webberville September Newsletter 2022

You may start seeing notices coming in the mail very soon regarding meter register changes. Hydro Corp will be sending those notices out to begin scheduling. The project is set to begin Oct 3<sup>rd</sup>, and we will have more information coming in the October newsletter. These need to be changed out by the end of the year to be compatible with 5G.

### REMINDER:

Please be aware that your taxes are due on September 14<sup>th</sup>. Also, the Village does not take post dated checks. You can drop it off to us during office hours, use the drop box, or mail it in.

**TAX**

When mowing your yard please be mindful of where your grass clippings are going, and do not blow them into the streets. The clippings can wash into the drains, and clog them causing more problems than necessary. It is also very dangerous for Motorcycles to ride on streets covered in grass clippings. The Village and your neighbors will appreciate it.

### Spotlight:

The month of September you may see teal ribbons tied around the Village light posts. This is to bring awareness of ovarian cancer throughout Michigan during the Tie Michigan Teal campaign. This was brought to the Village council for approval by a community member who wants to spread awareness throughout our Village.

On August 20, 2022 the Village of Webberville Community, NIESA, and the surrounding communities lost a very important person. Robert Russell Ackerman (Rusty) served on the Village Council as a Trustee for nearly 15 years and will be a hard seat to fill. He has done a lot of work with NIESA and was a Veteran in the United States Military. He has been an asset to this community and we appreciate all his hard work and dedication that he put into his positions. He is survived by a very loving family and will be greatly missed by many.

## Village of Webberville September Newsletter 2022

As a heads up beginning in September of 2022 the Village will begin charging penalties, doing red tags, and shut offs again.

If you are behind with your utility bill, and need assistance there are many resources out there that can help. Some of those resources are MSHDA, Department of Human Resources, payment plan with us, etc. are great places to start and if you have any questions, we will help you as best we can.

Feel free to call the office at 517-521-3984 or you can email Tammy at [thamill@webbvill.com](mailto:thamill@webbvill.com) or Jessica at [jkuch@webbvill.com](mailto:jkuch@webbvill.com).

### Joke of the Month:

#### § 50.07 RECREATIONAL BURNING.

(A) It shall be unlawful for any person, firm, partnership, lessee, or occupant to burn any garbage, including treated wood or other waste material, within the village. Material that is acceptable to burn in a recreational fire shall be limited to clean, clear, unpainted, unfinished, and untreated wood and wood products excluding particle board and similar products, split firewood, tree limbs, and charcoal. No accelerant such as gasoline and kerosene may be used except charcoal lighter fluid. (B) Recreational fires shall be permitted. A recreational fire shall be an outdoor fire and located in a fire pit, outdoor grill, and/or container commercially constructed for use as a fire pit and/or burner that is designed to adequately contain ashes and cinders. The fire shall be limited to a container no larger than 36 inches in diameter, and must be done no closer than ten feet to property lines or 15 feet from any building or structure. Burning should be confined to the rear yard unless conditions exist that it is not possible. No burning may be conducted in the front yard. Flames may not exceed 18 inches in height. (C) Any recreational fire shall be constantly attended by a person at least 16 years of age, who is fully physically and mentally capable of extinguishing the fire.

(Ord. 191, passed 6-19-2006) Penalty, see § 10.99
