## Village of Webberville December Newsletter 2022

**Tis the season for snow, and with snow comes a busy season for our DPW. To help the guys out please make sure to not park, or allow patrons, or tenants to park on the main roads when it snows. This makes it difficult for the DPW to clear them prior to business hours. No Parking on streets between 3 a.m. and 6 a.m.**

**Please call the village office to schedule a meter head change if you have not done so as soon as possible. At the end of the year the old meter heads will not work, and you will be estimated until it has been replaced.**
