Attention:

We have received many complaints that there are residents letting their dogs defecate in the other community members yards. Please be respectful to others and carry baggies with you to pick up your dog's feces. This also includes empty fields that may seem ok to let your furry friend go on. That land is still owned by someone so please be respectful.

This is also to keep your pets safe, because many diseases can be spread through dog waste. These diseases can be very dangerous to your pets.

Brush Pick Up Rules:

Brush pick up will be done one day during the week. Starting at 7a.m. Once the truck goes by it will not be back until the next scheduled pick up. [Chapter 50 Garbage and Rubbish](#)

1. Place brush between the sidewalk and the road (or next to the pavement of the road if no sidewalk). None in the road or extending over the sidewalk.
2. Brush should not be placed by the road prior to the Friday preceding pick up.
3. Place brush with the cut end towards the road.
4. Brush must be piled neatly.
5. Brush may not exceed 5 inches in diameter and/or eight feet in length.
6. There shall be no garden waste (most garden waste can be cut in 6-inch strips and picked up with leaf pick up).
7. There shall be no lumber, roots, concrete, stones, poison ivy or feces mixed with the brush.

Joke of the Month:

***Why did the
cookie go to
the doctor?***

*It was feeling
crummy.*

Leaf Pick Up Rules:

We will Try our best to adhere to the schedule but sometimes unforeseen circumstances or weather may not allow for pick up to happen. Please follow these simple instructions for leaves:

1. Rake leaves to the edge of the street, not in the street. If we cannot reach them with the vacuum hose, we will not be able to pick them up.
2. Do not make leaf piles wider than (4') four feet wide or we cannot reach them all.
3. Do not rake leaves around posts, signs, mailboxes, or cars. Keep them at least (4') four feet away from all objects.
4. Do not pile them at intersections where we will have to block traffic to pick them up.
5. Do not mix trash, sticks, rocks, or other debris with leaves as it will cause damage to the leaf vacuum and/or injury.
6. Do not pile brush and leaves together we cannot sort it for you.
7. Do not put leaves in bags we do not pick up bags.
