## January Meeting Dates

- \*Council Meetings at 6pm:  
January 9<sup>th</sup> 2023  
January 23<sup>rd</sup> 2023
- \*WDDA Meeting at 5:30pm:  
January 15<sup>th</sup> 2023

## REMINDER:

Granger will be picking up live Christmas Trees the first two weeks after the New Year. Trees need to be cut down to sections no longer than 4 feet, and must be free of lights, tinsel, and decorations.

The decorations in the downtown planters were provided by the Webberville Garden Club. The Village would like to thank the Garden Club for all of their efforts to help beautify our community.

## ATTENTION:

To keep our streets safe for the winter season please do not park on the streets when we have snow and ice events. This will help the DPW with the plowing of our streets.

With colder temperatures comes the risk of frozen pipes. An eighth-inch crack in a pipe can leak up to 2580 gallons of water a day. Both plastic and copper pipes may burst, causing property damage. Here are a few tips that may help to prevent your pipes from freezing:

- Insulate pipes in crawl spaces and attics.
- Use heat tape or thermostatically-controlled heat cables to wrap pipes.
- Seal leaks that allow cold air inside.
- Disconnect garden hoses and if practical, use an indoor valve to shut off and drain water leading to outside faucets.
- Open cabinets to allow heat to reach uninsulated pipes under sinks and appliances near exterior walls.
