

Village of Webberville October Newsletter 2023

October Meeting Dates

*Council Meetings at 6pm:
October 10th 2023
October 24th 2023

*WDDA Meeting at 5:30pm:
October 16th 2023

REMINDER:

Hydrant flushing will begin the second week of October. If you notice that your water is dirty/filmy run your cold water for a few minutes to clear out your service lines. Flushing is mandatory and it will clear stagnate water out of the system.

ATTENTION:

**TRICK OR TREATING WILL
BE HELD ON TUESDAY,
OCTOBER 31, 2019 FROM
6-8 P.M.**

Tip of the Month:

Fall is here. It is a good time of the year to check furnace filters, smoke alarms and add your storm windows.

2022 Fall Leaf Collection Guidelines

Leaf pickup will be done one day during the week depending on weather. To ensure pickup, have your leaves out to the street by Monday at 7:00 a.m. Once the truck has gone by your house, it will not pick up again until the next scheduled pickup day. We will try our best to adhere to this schedule but sometimes unforeseen circumstances or weather may not allow it.

Please follow these simple instructions for leaves:

1. Rake leaves to the edge of the street, not in the street. If we cannot reach them with the vacuum hose, we will not be able to pick them up.
2. Do not make leaf piles wider than (4') four feet wide or we cannot reach them all.
3. Do not rake leaves around posts, signs, mailboxes, or cars. Keep them at least (4') four feet away from all objects.
4. Do not pile them at intersections where we will have to block traffic to pick them up.
5. Do not mix trash, sticks, rocks, or other debris with leaves as it will cause damage to the leaf vacuum and/or injury.
6. Do not pile brush and leaves together we cannot sort it for you.
7. Do not put leaves in bags; we do not pick up bags.

Joke of the Month:

**Why did the scarecrow
win a Nobel Prize?**

He was outstanding
in his field

§ 50.07 RECREATIONAL BURNING.

(A) It shall be unlawful for any person, firm, partnership, lessee, or occupant to burn any garbage, including treated wood or other waste material, within the village. Material that is acceptable to burn in a recreational fire shall be limited to clean, clear, unpainted, unfinished, and untreated wood and wood products excluding particle board and similar products, split firewood, tree limbs, and charcoal. No accelerant such as gasoline and kerosene may be used except charcoal lighter fluid.

(B) Recreational fires shall be permitted. A recreational fire shall be an outdoor fire and located in a fire pit, outdoor grill, and/or container commercially constructed for use as a fire pit and/or burner that is designed to adequately contain ashes and cinders. The fire shall be limited to a container no larger than 36 inches in diameter, and must be done no closer than ten feet to property lines or 15 feet from any building or structure. Burning should be confined to the rear yard unless conditions exist that it is not possible. No burning may be conducted in the front yard. Flames may not exceed 18 inches in height.

(C) Any recreational fire shall be constantly attended by a person at least 16 years of age, who is fully physically and mentally capable of extinguishing the fire. (Ord. 191, passed 6-19-2006) Penalty, see § 10.99
