Attention:

We have seen some posts regarding Granger trash pick-up, and the number of bags you are allowed to have outside of the cart. For anyone living inside the Village limits, per our contract, is allowed a Granger cart plus three bags next to it.

They will not service personal carts; just the one they provide. If you need an extra cart please contact the Village office, and we will be happy to help you.

3. Place brush with the cut end towards the road.
4. Brush must be piled neatly.
5. Brush may not exceed 5 inches in diameter and/or eight feet in length.
6. There shall be no garden waste (most garden waste can be cut in 6-inch strips and picked up with leaf pick up).

Joke of the Month:

**Can February
March?**

No, but April May.

Leaf Pick Up Rules:

We will Try our best to adhere to the schedule but sometimes unforeseen circumstances or weather may not allow for pick up to happen. Please follow these simple instructions for leaves:

1. Rake leaves to the edge of the street, not in the street. If we cannot reach them with the vacuum hose, we will not be able to pick them up.
2. Do not make leaf piles wider than (4') four feet wide or we cannot reach them all.
3. Do not rake leaves around posts, signs, mailboxes, or cars. Keep them at least (4') four feet away from all objects.
4. Do not pile them at intersections where we will have to block traffic to pick them up.
5. Do not mix trash, sticks, rocks, or other debris with leaves as it will cause damage to the leaf vacuum and/or injury.
6. Do not pile brush and leaves together we cannot sort it for you.
7. Do not put leaves in bags we do not pick up bags.
