

Village of Webberville January Newsletter 2026

January Meeting Dates

- *Council Meetings at 6pm:
January 13, 2026
January 26, 2026
- *WDDA Meeting at 5:30pm:
January 12, 2026

REMINDER:

Granger will be picking up live Christmas Trees from December 30th-January 6th. Trees need to be cut down to sections no longer than 4 feet, and must be free of lights, tinsel, and decorations.

The decorations in the downtown planters were provided by the Webberville Garden Club. The Village would like to thank the Garden Club for all of their efforts to help beautify our community.

ATTENTION:

'Tis the season for snow, and with snow comes a busy season for our DPW. To help the guys out please make sure to not park, or allow patrons, or tenants to park on the main roads when it snows. This makes it difficult for the DPW to clear them prior to business hours. No Parking on streets between 3 a.m. and 6 a.m.

Spotlight:

Sandra Schoenborn has been a dedicated member of the Village Council since her initial term in September 2020. She was re-appointed in January 2023 and went on to earn the community's support with her election in November 2024. In addition to her Council responsibilities, Sandra represents the Village on the N.I.E.S.A. Board, where she plays an active role in supporting regional emergency services and strengthening intergovernmental collaboration. Sandra's commitment, steady leadership, and service-minded approach continue to make a positive impact on the Village.

With colder temperatures comes the risk of frozen pipes. An eighth-inch crack in a pipe can leak up to 2580 gallons of water a day. Both plastic and copper pipes may burst, causing property damage. Here are a few tips that may help to prevent your pipes from freezing:

- Insulate pipes in crawl spaces and attics.
- Use heat tape or thermostatically-controlled heat cables to wrap pipes.
- Seal leaks that allow cold air inside.
- Disconnect garden hoses and if practical, use an indoor valve to shut off and drain water leading to outside faucets.
- Open cabinets to allow heat to reach uninsulated pipes under sinks and appliances near exterior walls.

Joke of the Month:

What fish do you catch in the winter?

“Frozen fish sticks.”

§ 92.15 SNOW REMOVAL REQUIRED.

The occupant of any premises in the village, which includes any house, store, building, or lot, upon which there is located a public sidewalk, shall remove, or cause to be removed from the sidewalk ice and snow subject to the following requirements.

(A) All snow and ice shall be removed within 24 hours after it has ceased if the accumulation is less than four inches.

(B) All the snow and ice shall be removed within 48 hours after it has ceased if the accumulation is more than four inches.

(Ord. 155, passed 12-6-1999) Penalty, see § 92.99

§ 92.16 NEGLECT TO REMOVE SNOW; PROCEDURE.

Should any owner or occupant of any premises subject to this subchapter neglect or refuse to remove the snow and ice from the public sidewalk as provided in § 92.15, the Village President or designee shall remove, or cause to be removed, all the snow and ice at the owner's expense, which charge shall constitute a special assessment and payable as provided in § 92.17.

(Ord. 155, passed 12-6-1999)
