

Village of Webberville February Newsletter 2026

February Meeting Dates

- *Council Meetings at 6pm:
February 10, 2026
February 23, 2026
- *WDDA Meeting at 5:30pm:
February 9, 2026

REMINDER:

Please do not park on the streets when there is a forecast for snow. It makes it easier for the DPW to get the roads clear if they do not have to work around parked vehicles.

The Village office and DPW will be closed on Monday, February 16, 2026, in observance of Presidents Day.

REMINDER:

Please be neighborly by keeping your residential and business sidewalks clear and salted. We have some residents who rely on clear sidewalks so they can get around town. It is also dangerous for the children who have to walk to school. See Village ordinance on the back side of the newsletter.

Spotlight

First appointed to the Council in February 2023, Deborah Walter was elected by voters in November 2024. She now serves in one of the Council's two four-year seats and remains committed to thoughtful leadership and community service.

With colder temperatures comes the risk of frozen pipes. An eighth-inch crack in a pipe can leak up to 2580 gallons of water a day. Both plastic and copper pipes may burst, causing property damage. Here are a few tips that may help to prevent your pipes from freezing:

- Insulate pipes in crawl spaces and attics.
- Use heat tape or thermostatically-controlled heat cables to wrap pipes.
- Seal leaks that allow cold air inside.
- Disconnect garden hoses and if practical, use an indoor valve to shut off and drain water leading to outside faucets.
- Open cabinets to allow heat to reach uninsulated pipes under sinks and appliances near exterior walls.

Joke of the Month:

What's the favorite dance move of February? The shuffle, because it can't decide if it's winter or spring!
