ADDITIONAL INFORMATION:

1. All information must be correct, complete, and legible.
2. Include copy of mortgage survey or plot plan for any addition, garage, shed, pool, deck or any structure.
4. Separate permits are required for electrical, mechanical, and plumbing.
5. No work may be started before the approval of this permit. Penalty for work done prior to the issuance of a permit shall double the permit fee.
6. Contractor registration forms need to be completed when applying for a permit.

PERMIT IS GOOD FOR 6 MONTHS.

I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his/her authorized agent, and we agree to conform to all applicable laws and ordinances of the Village of Webberville and the State of Michigan. All information submitted on this application is accurate to the best of my knowledge.

Section 23a of the State construction code act, P.A. 230 of 1972, as amended, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirement of this State relating in persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subject to civil fines.

Inspections:

Inspections are Monday, Wednesday, and Friday Mornings only, and Tuesdays and Thursday's afternoon only.
